The event is Sept 25th. I am not sure of the set up time yet, I know it usually doesn't start till around lunch time and lasts until around Midnight. I can find out what time you need to be there and let everyone know. You will need to supply your own table. You sell your merchandise and keep all the money. It only costs you \$50 for booth rental. I will collect the balance of the fee from you when you arrive to set-up. Most people will be cash and carry as many will be from out of town. It's best to have a variety of items to sell rather than just taking orders. If you have any more questions, please don't hesitate to ask.
Thanks! Kaye
